Personal profile
During my work experience working in a primary school I was able to know what it is like being in a professional work environment. This allowed me to work well under pressure and be able to respond on the spot.

Skills
Because of the job I am applying for, I require the ability to work under pressure to make calls. I have demonstrated this skill when I was a my work experience teacher assistant when it was sport's day. All of the parents wanted to go out to their children but they couldn't because of the health and safety reasons, parents were shouting and crying in an aggressive manner through this I was able to communicate and respond for children.

Education
I have completed my A levels in sport and exercise science and started my course in sport and exercise science in university. I was able to get their attention and demonstrate what they need to do. I was able to go round to see and correct their technique.

Work experience
July 2023
My first job was as a teacher's assistant in a primary school. I was responsible for when they needed help or a extra hand with the kids. I had the responsibility of checking and ensuring the correct, ensuring learning materials, making sure to use with children making sure they understand the topic. From this I was able to help to improve on the gaps when correcting, make sure to get to the point and away from the communication work.

Education
September 2022 - July 2023
A level: Sport and Exercise Science
English: 5, Mathematics: 5, History: 4, PE: 5, Music: level 2 pass

Other interests
October 2023 - Present
Football
October 2023 has allowed me to develop skills, this experience. It has also developed my communication skills I am able to meet, support and encourage my teammates. This has also allowed me to support myself in a way I couldn't before. Because of all these skills I have developed I have achieved many goals today.

Personal profile

During my work experience (working in a primary school) was able to know what it is like being a professional work environment. This allowed me to work well under pressure and the ability to express on the spot.

Skills

Working under pressure

Because of the job I'm applying for requires the ability to work under pressure to retain calm. I have demonstrated this skill when I was at my work experience (teacher assistant) when it was sports day. All of the parents wanted to go over to their children but this wasn't because of the hours and they weren't parents were showing and acting in an aggressive manner through this was able to remain calm and organise the children.

Leadership

I have demonstrated independence when I was playing netball after school and the PE teacher was busy setting up the equipment so she asked me to go and set up and do with the younger years. I was able to get the equipment and demonstrate what they need to do. I was also able to go round to look and correct their technique.

Work experience

July 2023

Assistant teacher [Redacted]

My main role was to assist the teacher in the classroom for when they needed help or a extra hand with the kids. I had the responsibility of assisting with classroom management, preparing learning materials, working one to one with students making sure that they understood the topic. Through this I have learned how to progress on the spot when something goes wrong in class. I have also learnt how to communicate with groups of different abilities.

Education

September 2022 - July 2024

and [Redacted]

English 11 English language 5 maths 4 science 4 history 4 PE 7 PE 5 Music level 2 pass.

Other interests

October 2019 - Present

Netball

Playing netball has allowed me to develop skills for teamwork. It has also developed my communication when we talk to more quickly and confidently communicate. Netball has also allowed me to express myself in a way I couldn't before. Because of all of these skills I have developed I have become more work ready.
