7. Tenby Town Council are holding an outdoor cinema weekend showing classic films to locals and tourists. They need advice on how to cater for customers with a varied budget.

- (a) Advise the council on two suitable provisions in the following areas:

- (i) Non-residential provisions: [2]

1. food trucks ✓

2. Sweet Shacks ✓ (2)

- (ii) Residential provisions: [2]

1. tents ✓

2. nearby hotel ✓ (2)

- (b) Analyse all the provisions and discuss the best options for the event.

Justify why your suggested provisions in question 7(a) are the best options for the event.

[6]

For the outside cinema I advise they provide food trucks if people are hungry during the film or sweet shacks if they are unable to bring their own however I think food trucks would be the best option as they can have a full meal and drink. If it is residential they could tell customers to bring tents or rent some there so they can stop over or a nearby hotel in case people have travelled far and get a bit better comfort. ✓

I think tents would be the best option as there is more comfort and people don't have to leave late.

3

(c) Complete the personal risk assessment for the event.

[4]

Personal risk assessment form Event: Outdoor cinema weekend	
Risk	Control measure
1. wet grass	1. place thick mat on the space canopy
